Patrick is very knowledgeable and his team is very attentive. Never had a call not returned or message not replied to, which seems nearly impossible to find from an attorneys office! I was very pleased throughout our entire process together.

Mr. O'Hara and his team were absolutely amazing. My husband suffered a dog attack on the job and sustained injuries that required emergency surgery and left him permanently impaired. When I called I didn't know what to do but his team walked me through the steps and started working on the case immediately. They kept in contact with me to give updates and made sure that my husband got the maximum amount for his settlement in only a year. They're very polite and professional. I'm very grateful for their help during such a stressful time and I'd highly recommend them!
